Subject: West Lake: timeline for isolation trench investigation and construction

Cecilia, as you requested, I've developed a draft timeline and events leading to the isolation trench construction. It's on the H: drive, Subsurface Oxidation Event\MDNR info on OU2\North Quarry Contingency Plans\Timeline for trench installation at WLF OU1.doc. Please take a look and see if I've forgotten any steps or reviewers.

Sincerely,
Daniel R. Gravatt, PG
